Welcome to Peko Properties. We believe that property management should feel effortless for landlords, while still creating memorable experiences for guests.

By blending hospitality, technology, and deep market expertise, we unlock the true earning potential of every property we manage. This brochure will walk you through who we are, what we do, and why working with us could be the smartest decision you make for your investment.

Who we are

At Peko Properties, we see ourselves as more than property managers. We are hospitality partners. Our role is to make hosting completely effortless for you while ensuring that every guest leaves with an exceptional experience.

We built Peko Properties around a simple idea: short-letting should be seamless for owners and memorable for guests. Each property is managed with the same level of care and ambition as if it were our own.
